15:00 to 16:00

60

##### Derwent Innovation

Hands-on training showing you how to use the latest features in Derwent Innovation to optimize your patent search workflows.

**Product leaders and Solution Consultants**

16:00 to 17:00

60

##### Derwent Chemistry Research & Derwent SequenceBase

Learn more about Derwent solutions for chemical patent research and biosequence patent searching.

**Product leaders and Solution Consultants**

18:00

##### Olivae

Located on the ground floor of the Corinthia

##### Welcome reception

Mix and mingle with attendees and speakers at the Ignite welcome reception. Enjoy large bites and drinks onsite at Olivae Restaurant and Terrace within the Corinthia.

# Day 2 | Oct 13

# Patent Intelligence

6:30 - 8:00	<b>Olivae</b> Ground Floor	<b>Breakfast and registration</b> Enjoy breakfast with fellow Ignite attendees and speakers. Registration desk opens at 8 a.m.
8:30 - 9:45	<b>Floriana Ballroom</b> Floor 1	<b>Welcome to Clarivate Ignite!</b> Join attendees in the main ballroom as we kick-off Ignite 2025. Then, explore some of today's most pressing IP challenges. Hear from our first keynote speaker, followed by an engaging panel discussion with IP leaders.
9:00 - 17:00	<b>Jade I &amp; II</b> Floor 1	<b>Software Lab: One-to-one software support for users.</b>

## Patent Intelligence product track sessions | 10:00 to 13:00

10:00 - 11:00	<b>Introduction to the new Derwent Patent Monitor</b> Learn about Derwent Patent Monitor – a collaborative platform that accelerates FTO reviews. Set up projects for automatic monitoring to send/receive alerts from Derwent Innovation and Innography and manage end-to-end review workflows with R&D and stakeholders. <b>Matt Weber</b> , Product Director, Derwent Innovation, Search & Watch, Clarivate
11:00	<b>Break</b>
11:30 - 12:15	<b>Innography AI Classifier for portfolio benchmarking</b> Discover how the new Innography AI Classifier for portfolio benchmarking helps you view your portfolio, or that of a competitor, through your own lens to uncover licensing opportunities, guide R&D, and gain competitive insight. <b>Nathan Westgarth</b> , Product Director, Innography, Clarivate
12:15 - 13:00	<b>SEP Analysis made easy</b> See how to sort, view and analyze standard essential patent data—imported directly from ETSI and meticulously tagged by our in-house experts—so you can get a fast, complete picture of SEP ownership to inform your licensing strategy decisions. <b>Nathan Westgarth</b> , Product Director, Innography, Clarivate
13:00	<b>Lunch</b>

## Patent Intelligence roundtable | 14:00 to 17:00

14:00 - 14:45	<b>Vision for Clarivate Patent Intelligence</b> Explore the strategic vision guiding the development of patent intelligence solutions. Hear how user needs, market trends and innovation priorities are informing our direction, and share your perspective to help us build the future, together! <b>Shandon Quinn</b> , Vice President, Patent Intelligence, Clarivate
14:45 - 15:30	<b>Derwent Innovation roadmap update and feedback</b> Join us for an inside look at the new capabilities and enhancements in development for Derwent Innovation. In this interactive session, we'll invite your feedback, questions, and input to ensure our direction aligns with your evolving patent search needs. <b>Matt Weber</b> , Product Director, Derwent Innovation, Search & Watch, Clarivate
15:30	<b>Break</b>
15:45 - 16:15	<b>Deriving more value from Derwent Data</b> Learn about our plans to further enhance Derwent data. Discover how users apply Derwent data to inform decision-making across their organizations. Share your input on how Derwent data can better support different types of decisions across your organization. <b>Matt Weber</b> , Product Director, Derwent Innovation, Search & Watch, Clarivate
16:15 - 17:00	<b>Innography roadmap update and feedback</b> Get an inside look at new capabilities and enhancements in development for Innography. In this interactive session, we invite your feedback and questions to help us align with your evolving patent strategy, commercialization and portfolio management needs. <b>Nathan Westgarth</b> , Product Director, Innography, Clarivate
18:00	<b>Monday dinner at Olivea</b> Enjoy an evening of networking with attendees and speakers during dinner.

# Day 3 | Oct 13

## Patent Intelligence

6:30 - 8:00	<b>Olivae</b> Ground Floor	<b>Breakfast and registration</b> Enjoy breakfast with fellow Ignite attendees and speakers. Registration desk opens at 8 a.m.
8:30 - 9:45	<b>Floriana Ballroom</b> Floor 1	<b>Keynote and panel discussion</b> Explore some of today's most pressing challenges in the world of patents and trademarks. Hear from our second keynote speaker, followed by an engaging panel discussion with IP leaders.
9:00 - 17:00	<b>Jade I &amp; II</b> Floor 1	<b>Software Lab: One-to-one software support for users.</b>

### Patent Intelligence product track sessions | 10:00 to 13:00

10:00 - 11:00	<b>Portfolio maintenance: from data to decision making in less time</b> Explore how the integration of your company's taxonomy, IPMS data and strength metrics can help you make faster patent maintenance decisions and maintain the alignment of your patent portfolio to your business strategy using Innography. <b>Nathan Westgarth</b> , Product Director, Innography, Clarivate
11:00	<b>Break</b>
11:30 - 13:00	<b>Derwent Innovation deep dive</b> Take a closer look at recent enhancements to Derwent Innovation – from Search Management and AI Search to workflow and record view improvements and more. Learn how to apply these updates to streamline your workflows, save time and obtain more precise patent search results. <b>Matt Weber</b> , Product Director, Derwent Innovation, Search & Watch, Clarivate
13:00	<b>Lunch</b>

### Patent Intelligence roundtable | 14:00 to 17:00

14:00 - 14:45	<b>IP and R&amp;D in Harmony?</b> Does your organization face challenges when sharing insights and enabling inventors? Discover a new solution, Derwent Patent Monitor, and share feedback on how to effectively distribute patent data across your organization to support innovation. <b>Matt Weber</b> , Product Director, Derwent Innovation, Search & Watch. Clarivate
14:45 - 15:30	<b>AI for IP: Build, buy or partner?</b> We'll share more about the technology and training behind our AI models, answer your questions, and discuss what you need to train or enable your own AI solutions. <b>Matt Weber</b> , Product Director, Derwent Innovation, Search & Watch. Clarivate
15:30	<b>Break</b>
15:45 - 16:15	<b>Integrating IP intelligence into your organization's IPMS</b> How can the integration of public patent data and private data in your IPMS help your teams make faster, more informed innovation decisions and improve the alignment of patent strategy and business strategy? What types of decisions can this combined perspective best inform, and how can we enable a more cohesive workflow? <b>Nathan Westgarth</b> , Product Director, Innography, Clarivate
16:15 - 17:00	<b>Wrap up and reflections</b> Share your reflections, provide feedback and help shape future conversations. What sparked new ideas? What did you find most interesting and exciting? What else were you hoping to hear about? Your perspective is a vital – and helps shape what comes next! <b>Product Team</b>
18:00	<b>Tuesday dinner at Casa do Alentejo</b> Join fellow attendees for a celebratory dinner at Casa do Alentejo, located in the heart of downtown Lisbon. Take a step back in time and enjoy local Portuguese cuisine at the former Alverca Palace.  Located at R. das Portas de Santo Antão 58, 1150-268 Lisboa, Portugal

## **About Clarivate Ignite**

Clarivate Ignite is the annual, global event for the intellectual property community to come together and learn from their peers.

Learn more about Ignite and register to attend at: [ignite.clarivate.com](https://ignite.clarivate.com).

## **About Clarivate**

Clarivate is a leading global information services provider. We help people and organizations think forward by connecting them to intelligence they can trust to transform their perspective, their work and our world. We are the partner law firms and companies rely on to transform the way they create, manage and protect intellectual property.

Our comprehensive intellectual property data, software and expertise helps companies drive innovation, law firms achieve practice excellence, and organizations worldwide effectively manage and protect critical IP assets. Clarivate is home to Derwent Innovation, CompuMark, Innography, Darts-ip, Inprotech, FoundationIP and other leading IP solutions.
